### Club Rules

- **Three or four women** will be in a group. Five are not allowed. New players should not play alone. A member from a previous season should play with new members.
- **Rain outs**—no make-up games will be played for that week. The clubhouse should be called after 3:00 p.m.
- **Tee off times** are between 3:00 p.m. and 5:30 p.m. on Monday. **Scheduled tee times must be cancelled** by calling the golf course by 3:00 p.m. if you are unable to play.
- To be **eligible for gross and net tournament prizes**, a player must have established a handicap. Five 9-hole rounds on a regulation course are required to establish a handicap.
- To be eligible for prizes for the **Club Championship**, you must have played at least 1/2 of regular weekly play for the season.
- During weekly play, you must pick up your ball after 11 strokes. (A whiff is a stroke) However, when playing the Club Championship, all strokes must be counted.

### Golf Etiquette

- Don't move, talk or stand close to or directly behind a player hitting the ball.
- Don't play until the group in front is out of the way.
- Always play without delay.
- Leave the putting green as soon as all players in your group have holed out. Invite faster groups to play through.
- Repair divot holes and ball marks.
- Smooth out footprints in bunkers.
- Be considerate. Don't step in the line of another's putt.
- Don't drop clubs or bags on the putting green.
- Replace the flagstick carefully in an upright position.
- Leave the course in the condition in which you wish to find it.

### Pace of Play

- Hit when you are ready—as soon as the group in front clears.
- Leave bags or carts in an area going to the next tee. Do not leave them in front of the green.
- Line up your putt while others are putting.
- Putt out whenever possible.
- Keep pace with the group in front of you, not with the group behind you.
- **Play Ready Golf**
